The Amildar of Hunsur remarked that the covering slabs of drains on the Periyapatna-Bettadapur road did not fit in properly and that they should be repaired, and that the road-way near the parapets of the bridge at Hunsur required some petty repair. Mr. Karve observed that the tunnels were constructed of rough slabs long ago, and that separate estimates will have to be made for building them again pakka, as the ground is scoured and the walls of rough stones do not stand firm. He also said that the road near the bridge at Hunsur would be attended to.

2. Read statement of progress of well works.

Recorded after discussion, *vide* *statement annexed marked B.

* Will follow.

3. Read docket No. 409 of the 23rd January 1893, from the Senior Surgeon about provision being made for new dispensaries and wards for in-patients.

Resolved that recommendation be made for accommodation being provided as hereunder, for dispensaries from the Provincial Funds:—

- | | |
|----------------------------|--|
| 1. Tirumakudlu-Narsipur .. | Room for in-patients. |
| 2. Hunsur .. | A new building for the Hospital, as the present one is too old to be repaired. |
| 3. Yedatore .. | Room for in-patients. |
| 4. Nanjangud .. | A building with room for in-patients, as a high rent is paid at present. |
| 5. Gundlupet .. | Room for in-patients. |

The dispensaries at Chamrajnagar and Heggaddevankote are not in need of any additions or alterations, as there is sufficient accommodation for in-door patients.

4. Read docket No. 14662—268-92 of the 4th March 1893 from the Chief Secretary to the Dewan of Mysore, about the establishment of a Local Fund Dispensary at Saragur in the Heggaddevankote Taluk.

The Board agreed to bear the full cost of the proposed Dispensary, provided the people of Saragur and Nemanahalli Hoblis put up a dispensary building at their own cost.

5. Read Proceedings of Government No. 14247-55—346-92 of the 23rd February 1893, calling for report on the subject of rates of mileage to be allowed to non-official members for attendance at the Local Fund Meetings.

The Board recommend that a mileage of 2 annas may be allowed, as they are not expected to dawd.

The Board would at the same time submit that, as it has to meet once a quarter, the Amildar-members may also be allowed mileage for attending the meetings.

6. Read docket No. 411 of the 24th January 1893, from the Senior Surgeon, Mysore, requesting that provision may be made for furniture required for certain dispensaries.

Resolved that a Supplemental Budget be prepared for 1893-94 for furniture as per following particulars, and submitted for sanction of Government:—

8. The excuse offered by Ramachandra Rao, Amildar of Tirumakudlu-Narsipur Taluk, is not quite satisfactory. Dr. Benson and Jodidar Srirangachar have given no reasons for their absence, while the Hunsur Amildar explained that Narasimha Upadhyaya was prevented from illness from attending the Board.
